Title 5 Sections 55000, 55002, and 55003

The Superintendent/President is authorized to establish prerequisites, corequisites, advisories, and limitations on enrollment on recommended preparation for courses in the curriculum. All such prerequisites, corequisites, advisories, and limitations on enrollment shall be established in accordance with the standards set out in Title 5. Any prerequisites, corequisites, advisories, or limitations on enrollment shall be necessary and appropriate for achieving the purpose for which they are established. The procedures shall include a way in which a prerequisite or corequisite may be challenged by a student on grounds permitted by law. Prerequisites, corequisites, advisories, and limitations on enrollment shall be identified in District publications available to students.
